

**GREENING CANDABA SWAMP.** Officials and staff of the Manila North Tollways Corp. (MNTC), franchisee of the North Luzon Expressway, and its operating arm, the Tollways Management Corp., went out of their way recently to plant over 3, 000 mahogany saplings to a 70-hectare reserve of the great Candaba Swamp in Pampanga in line with the government efforts to maintain ecological balance. Photo shows Candaba Municipal Secretary Leny Manalo (2<sup>nd</sup> from left) and MNTC president and CEO Jose "Ping" de Jesus leading the tree-planting project. They were joined by MNTC vice president Marlene Ochoa (left) and former Bb. Pilipinas Carla Balingit.
