

**Drivers Forum.** Organizers, facilitators, and participants of a recently- held Drivers' Forum on safety sponsored by the Manila North Tollways Corp. (MNTC), builder-concessionaire of the world-class North Luzon Expressway (NLEX), pose for posterity to cap their one—day forum conducted for the officials and employees of Genesis Bus Line. The forum introduced the bus drivers to essentials of safe driving, including preparing for a trip, recognizing and obeying traffic signs, and the whys and wherefores of traffic rules and regulations, in an effort to make them better drivers. A similar forum will be organized for other bus companies in the coming months. The MNTC was represented by Marlene N. Ochoa (seated, center), vice president for corporate communications, and Rene Ticzon ( standing, extreme right), vice president for marketing. Besides Ms. Ochoa is Ms. Beng Untalan, NLEX "angel" and forum facilitator. Also in photo are Nicolas Manalo (standing, extreme left), and Ed Caleon of Tollways Management Corp. and Droy Jalbuena (seated, left) of Genesis Bus Line.
